

WDHB is seeking a Program Manager in Denver, CO or Houston, TX

Full time | Start ASAP

About the opportunity

The Program Manager opportunity is a gateway for ambitious early career professionals seeking a role that will grow their professional network, deepen their business knowledge, sharpen their program and event management skills, and expand their long-term career possibilities. Working as part of our international Delivery team, you will take ownership of the organization and execution of our experiential learning programs for clients primarily in the US, as well as Europe and Asia. This includes identifying, conversing and maintaining relationships with executives and inspiring leaders across nearly every industry. Additionally, once in-person programs fully resume (COVID impact) the role will include opportunities for travel.

We are a fast-paced, ambitious and collaborative team with more than 30 years of experience delivering global learning engagements with some of the world's boldest clients. Half of our executive team and about half of our employees across all levels of the company started in the Program Manager role. We are expanding our Program Management team to meet our growing business needs in the virtual programming space and with hybrid and in-person programs on the horizon. We look forward to welcoming a new member to the team!

About WDHB

WDHB is a pioneer in experiential learning for the corporate world. We assist organizations in their people and strategy development through designing and delivering Learning Expeditions, Leadership Experiences, Strategic Summits, and Upskilling Programs. Founded in 1989, the company has established hubs in Denver, Shanghai, Zurich, Singapore and Paris, with additional team members working remotely around the globe. We are a small team with international and eclectic cultural and professional backgrounds. In 2020, we acquired Experience to Lead, a fellow trailblazer in experiential approaches to leadership development. Jointly, we aim to become the world's leader in unconventional, high-touch and experiential approaches to L&D.

At WDHB, we see the world as our classroom, full of infinite and diverse moments to grow through the power of shared stories and experiences. We challenge and enable people to transform for what comes next, with the ambition of charting the future of organizational learning.
